WORK EXPERIENCE

DESIGN LEAD

Self Employed @ Search For High School / NYC / 2024.3 - Present

- Co-founded the company with NYU colleagues.
- Led cross-functional initiatives as a key member of design, research, and marketing teams at Search For High School, conducting user research that shapes innovative UIUX design and branding identity solutions.
- Conduct in-depth design research to identify sustainable strategies that meet the evolving needs of society, ensuring long-term relevance and impact for our startup.

DESIGN ENGINEER

Nanchang Yisheng Auto Parts Co. LTD / China / 2023.1 - 2023.7

- Collaborated with automotive customers, like Adient and BYD, to create sustainable delivery strategies. Dived deeply into ergonomics and spatial design to enhance the transportation efficiency of products.
- Tested samples for new products by learning how to tune heavy industrial equipment and experimenting with how to achieve mass production for sale.
- Constantly co-worked with mechanical engineers and client consultants. Followed up weekly to fulfill clients' requirements for the manufacture of products.

FURNITURE DESIGNER

Flexsteel Industries, Inc. / Dubuque, IA / 2021.9 - 2022.6

- Analyzed the latest design trends in furniture. Planned out specific product development for each different type of target user.
- Collaborated with the local big retail store, Costco, for a kitchen furniture project. Based on the market research, found what was lacking in the product line and then designed new collections of furniture to fill in the white space.
- Tested materials, colors, texture, comfort, durability, and performance of newly developed samples. Weighed up the pros and cons of the samples and reported those needed revisions to the manufacturers in time.
- Designed for both subsidiaries, Flexsteel and Homestyles, by following each brand language.
- Constantly co-worked with senior designers, product managers, and VPs. Discussed a detailed plan of the potential trending furniture development for the following 3-5 years by holding quarterly seminars.
